3. I understand that you are somewhat aware of subject's background and the fact that he is regarded as a controversial figure. You will recall subject is employed by the [REDACTED] [REDACTED] but not in connection with your Project. In view of this, it is necessary that the Security Office be furnished some information regarding the proposed utilization of subject and degree of knowledgeability of sensitive information. However, in line with your comments on 25 November 1955, we are holding our action in abeyance with the understanding subject might not be integrated into [REDACTED] program. In the event subject is to be utilized it will be necessary that the Security Office have further time to undertake resolution of certain questions in subject's case.
